

Corporate Philosophy

To continue to build consumer loyalty and maintain the strength of our company with hard work, integrity and outstanding service. We take great pride in servicing our clients throughout the Greater Salem area. You deserve the best and we guarantee all of our work.

Experience

Commercial Sweeping has been in business for almost 40 years. As you might imagine, during that time we have gained extensive knowledge in how to do power sweeping right. Our experienced sweeping team knows how to provide you with state-of-the-art service and technology.

Service

Our sweepers are the foundation of our ability to provide our customers with efficient, cost-effective service on an ongoing basis. We keep our sweeper fleet in good sweeping condition, and employ machines with the features needed for bringing you good results, no matter what type of pavement cleaning you require.

No matter how large or small your needs, our trained professionals are eager to do the best job possible. We are a hands-on, family business with good old-fashioned, hard work ethics that get the job done right.

Rapid Response

When our customers have a special cleanup need, due to an accident, spill, etc., we provide a quick response to minimize any impact on your business or customers.
